Disneyland Paris, after all, is home to the stunning Sleeping Beauty Castle, offers a roller coaster and even allows you to step into the world of Ratatouille. These bistros in Paris may offer some delicious food, but guaranteed, no one will shrink you to the size of your favorite rat. While Walt Disney World usually requires a special trip, two Disneyland parks in Paris are convenient to attach to a London walk or visit to France. Just an hour from Paris and accessible by train, this makes for an easy day trip or a quick night without affecting your travel plans too much. Want to know how to pull it on your next European vacation? Here's how: Although they seem like carbon copies from the side, they're completely different once you get past the queue. Pirates of the Caribbean, offering a notable absence of Johnny Depp-look-likes, feels gloriously trapped in time. This little world includes homage to California and New York that doesn't exist in home parks, and even their version of the Haunted Mansion, Phantom Manor, deals more with evil Halloween-esque spirits than grim grinning ghosts. Preparing toddlers, too, Casey Junior Circus train more exciting roller coaster than slow trains in this park. DisneyJand Paris' stunning Disney Dreams show easily is one of the best in the world, mixing water effects, fireworks and digital On top of the Hill Sleeping Beauty Castle in a way American parks have never had before. You don't want to miss a second, so be sure to find a place for at least forty minutes before it starts and grab snacks and drinks early, too. (There are several nearby stands and navigating the crowd can be tricky.) And, of course, don't miss their version of Tomorrowland, which is inspired and named Discoveryland, all illuminated and glowing in the evening sky. Food options can be limited when it comes to food, especially at Walt Disney Studios Park, where restaurants can be closed and stalls mostly sell cupcakes, chips and ice cream. Many locals bring their own sandwiches and second park, Walt Disneyland, which is most similar to Disney's Hollywood Studios in Florida. Not many rides offer FastPasses, but the waiting time posted is usually longer than the actual anticipation, which is wonderful. There are a lot more thrill rides at Disneyland Paris, too, but the coasters here are considerably rougher, particularly the revitalization of Space Mountain: Mission 2, which goes upside down in the iteration of this park. Characters meet and greet often listed as Goofy or Friends, thus not guaranteeing turnout, but it absolutely works in favor of guests. Because of this, you can even get a photo with two characters at once, a rarity in the parks of the house. The area is accessible by train and can make for a simple day trip, regardless of whether or not you go with bags. Disneyland Paris hotels can be significantly expensive for American guests, even compared to Walt Disney World in Florida. The beautiful, beckoning pink Disneyland Hotel offers direct access to the park, but can blow up your entire travel budget. There are many surrounding hotels associated with parks that offer easy round-trip transportation to the grounds, but come with one mistake: they don't include two extra Disney magic clocks in the park every morning, a significant advantage in tackling parks without crowds. Impressive Crush's Coaster, a dark ride that twists and whips guests around as they travel through the Search for Nemo East Australian Current, exists only here. (It's massively popular not and the line creeps up during the day, so ride it early as you can!) There's all Ratatouille-themed land, too, remy Remy's housing restaurant, as well as the magical Ratatouille: Adventure that uses trackless Disney technology that has just started making its way to the US. The toy story of the themed land is superb, and not only is Cin'Aigue a reliable air conditioning break for tired tykes, the show is wildly entertaining and easy to understand despite language barriers thanks to its star, Martin Short.
